Notice of Public Hearing on Tax Rate

The Harris-Fort Bend Counties Municipal Utility District No 1 will hold a public hearing on a proposed tax rate for the tax year 2025 on October 21, 2025 at 12:30 PM at 24503 Falcon Point Boulevard, Katy, Fort Bend County Texas 77494. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

NOTICE OF VOTE ON TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than eight percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23601, Water Code.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
